Re: Written Ex Parte Presentation in WT Docket No. 07-16 and WT Docket No. 07-30

Dear Ms. Dortch:

On April 25, 2007, Milo Medin and Penny Nance had a short telephone conversation in which Mr. Medin explained the family-friendly nature of M2Z Networks Inc.'s pending license application and the fact that many family-oriented groups have come out in support of M2Z's commitment to provide a marketplace alternative that will equip parents with the tools they need to enable their kids to take advantage of the benefits of broadband in a safe environment.

Pursuant to Section 1.1206(b) of the Commission rules, an electronic copy of this letter is being filed. Please let me know if you have any other questions regarding this submission.

Sincerely,

A handwritten signature in black ink, appearing to read 'Uzoma C. Onyeije', with a long horizontal flourish extending to the right.
